

Rhino Support

Think Globally, Act Locally

The theme animal for our Fall Product Program is the *endangered Northern White Rhino*.

Girl Scouts of Eastern Oklahoma is working in cooperation with the *Tulsa Zoo* to allow girls to support our local rhinos!

Did you know?

- **Rhinoceros** means “nose horn.”
- **Full grown rhinos can weigh anywhere from 3,500 – 8,000 pounds!**
- **Their top speed can reach 34 mph.**
- **A group of rhinos is called a “crash.”**
- **Rhinos are herbivores; they like to eat grass and plants.**

Girls will have a new option in the reward section:

Girls can choose “*Rhino Support*” at some of the levels instead of the physical reward. With this selection, Girl Scouts of Eastern Oklahoma will purchase food to *feed the rhino* at the Tulsa Zoo. Each girl who makes this selection will also receive a special be the difference *patch* (1 per girl).

Girls who get to the 150 item level and choose “*Rhino Support*” will also have the opportunity to visit the Tulsa Zoo for a special *Zoo Keeper Chat* to learn more about the rhinos at the Tulsa Zoo.

Difference**

Rhino Support

Think Globally, Act Locally

The theme animal for our Fall Product Program is the *endangered Northern White Rhino*. Girl Scouts of Eastern Oklahoma is working in cooperation with the *Tulsa Zoo* to allow girls to support our local rhinos!

Girls will have a new option in the reward section:

Girls can choose *“Rhino Support”* at some of the levels instead of the physical reward. With this selection, Girl Scouts of Eastern Oklahoma will purchase food *for Jeannie and Rudo, the rhinos at the Tulsa Zoo*. Each girl who makes this selection will also receive a special *be the difference patch* (1 per girl).

Girls who get to the 150 item level and choose *“Rhino Support”* will also have the opportunity to visit the Tulsa Zoo for a special *Zookeeper Chat* to learn more about the rhinos at the Tulsa Zoo.

Girls who make an avatar and have \$300 or more in total sales will be entered into a drawing to win this giant white rhino!
