This year during our 2020 Fall Product Program we want girls to “Bravely Be You” with our travel companion, the pygmy three-toed sloth.

Benefits of Participating:

- Girls learn and practice the **Five Skills**: people skills, money management, business ethics, goal setting, and decision making, as they earn funds for their troop and exciting rewards.
- Proceeds stay locally to benefit our council and troops earn 20% on all items sold. The Fall Product Program is an excellent way to earn start up funds for your troop to use during the Girl Scout year to fund your activities and projects.

How the Fall Product Program Works:

This financial literacy program allows girls to be entrepreneurs by offering family and friends the opportunity to purchase delicious nuts, chocolates and magazines. There are multiple ways to participate:

- Online by inviting friends and family to place an order. Customers can choose to have nuts, chocolates, or magazines shipped directly to them, or they can select from a group of nut and chocolate products that girls can deliver.
- In-person by taking orders using the nut order card and collecting payments.*

Important Dates:

September 19: Program begins – online ordering opens and girls may sell in-person.*

October 4: Last day to take orders on the order card. Last day for online girl delivery orders.

October 5: All orders received in person must be entered into the online system.

October 24-November 8: Girls will deliver products to customers.

November 8: Last day for online orders for magazines and shipped nut and chocolate orders.

November 10: Money is due to troop. Girl reward selections are due.

Fun Facts About the Pygmy Three-toed Sloth:

1. They are the smallest of the three-toed sloths and live on the Isla Escudo de Veraguas, off the coast of Panama.
2. They are critically endangered due to habitat destruction. There are less than 100 in the world.
3. They are incredible swimmers and hold their breath underwater for up to 40 minutes!

**GSEOK takes the safety and well-being of our girls, volunteers and staff very seriously. Please be aware that we may have to modify plans for this program depending upon the impact of COVID-19 in our community throughout the Fall Product Program. Updates and changes will be posted on the GSEOK website.*
