**Subject: Girl Scout Cookies Reduced Shipping**

Dear Cookie Customer,

We are approaching the end of our cookie season for 2022 and our local supply is limited but most options are still available online. Did you know that you can have Girl Scout Cookies shipped directly to you? There is a fee for shipping, but if you order at least nine packages, you will get \$7.50 off the shipping fees.

If you don't want cookies for yourself, but still want to support me, you can purchase a package of cookies that will be used for our Cookies for a Cause donation program. Our council uses this program to donate cookies to military at home and abroad as well as first responders and food banks.

Please help me reach my goal by placing a direct ship order or making a donation to support our Cookies for a Cause program. (ADD LINK TO DIGITAL COOKIE SITE HERE.)

Thank you,

Girl Scout (UPDATE NAME HERE)
