Watch for your registration email* from “Girl Scout Cookies” (email@email.girlscouts.org) with the subject “Register for the Digital Cookie Platform Today”. Your council will let you know the approximate date you can expect to see that email. Search your “Promotions/Clutter/Spam” folder too.

*If you did not receive a registration email, see the “[No Registration Email](#)” Tip Sheet.

Dear Jessica,

With another awesome Girl Scout Cookie season on the horizon, it's time to help your girl get even more from participating in the largest girl-led entrepreneurial program in the world! Remember, because cookie proceeds stay local, the more successful she is, the more new, unique, and amazing experiences she can help power for herself and her troop all year long!

When she superpowers her cookie sale by adding the Digital Cookie® platform to her traditional sales, she also gets more opportunities to learn essential life skills, gain a ton of confidence, and practice leadership the Girl Scout way—helping her achieve her goals and get incredible things done. It takes her sale to the next level!

And there's more. The Digital Cookie platform provides a great opportunity for you to spend high-quality time with your girl while enabling her to reach family and friends—both near and far—to grow her sale.

Don't miss out on all the adventure! Register to use the Digital Cookie platform this year, and work with your girl to update her site. Yearly registration is required for participation.

And remember, safety first! If your girl is engaging in digital marketing and sales activity beyond friends and family, please have her follow these important guidelines:

- Her online marketing and sales efforts should always be girl-led while still being supervised by her parents or guardians.
- Make sure your girl reviews and applies the [Digital Marketing Tips for Cookie Entrepreneurs and their Families](#).

Girl Scouts Digital Cookie Pledge
Effective July 30, 2014
Updated November 7, 2019

Welcome to the Digital Cookie program! This pledge ("Digital Cookie Pledge") will tell you how you can participate in the Digital Cookie program.

The Digital Cookie program is an opportunity for you to create your own Digital Cookie site so that your customers can purchase cookies online. You will also be able to download the Digital Cookie mobile application which will enable you to access the Digital Cookie platform to provide cookie orders via a smartphone and tablet site ("Digital Cookie Mobile App"). You will also learn and practice the fine business skills of goal setting, money management, people skills, decision-making, and business ethics in a modern digital setting. Your participation in the Digital Cookie program may be terminated if you do not follow this Girl Scout Pledge, so please read it carefully. You must agree to this Digital Cookie Pledge by clicking "I accept" in order to participate in the Digital Cookie program.

I will keep safe online during my participation in the Digital Cookie program:

- ☒ I will remain with my parent or guardian and read and understand the [Digital Cookie Safety Pledge](#) and [Digital Cookie Terms of Use](#).

I understand and acknowledge that if I do not comply with this Girl Scouts Digital Cookie Pledge in all ways, my participation in the Digital Cookie program may be terminated.

☒ I, Taylor Smith, accept the Digital Cookie Safety Pledge.

You will then be taken to a screen to register your girl or girls for the Digital Cookie program.

Digital Cookie Registration

Register your Girl Scout to participate in Digital Cookie. She'll get access to the Digital Cookie Platform where each Girl Scout can set up her cookie site and goals, manage orders and learn marketing business skills.

Girls 13 and older can add their own email address. This allows them to manage details for their cookie site.
