## Benefits of Participating

Girls learn and practice five important life skills: **Goal Setting, Decision Making, Money Management, People Skills and Business Ethics**, while earning funds for the troop and exciting rewards. Girls can also earn a financial literacy badge!

All proceeds stay locally to benefit our council and troops earn 20% on all items sold. Girls take pride in knowing they helped to cover troop expenses like badges, event fees and camping trips.

My daughter, \_\_\_\_\_, a member of Girl Scout Troop # \_\_\_\_\_, has my permission to participate in the 2023 Fall Product Program Activity. She will observe the Safety Guidelines and have adult supervision at all times. I agree to give payment directly to the troop product program manager or leader by the dates requested.

I understand that I am assuming personal responsibility for all products and money received and for full payment due to the troop/group and Girl Scouts of Eastern Oklahoma. Products cannot be returned or exchanged. I understand that failure to account for money and products received will be considered misappropriation of funds and all unpaid funds will be turned over to a collection agency or the courts for action.

# How the Fall Product Program Works

This financial literacy program allows girls to be entrepreneurs by offering family and friends the opportunity to purchase delicious nuts, chocolates, magazines, BarkBox, and Tervis® Tumblers. There are multiple ways to participate.

## Online

Email friends and family to place an order! Customers can choose from nuts, chocolates, magazines, BarkBox, and Tervis® Tumblers for direct shipment or opt for nut and chocolate products delivered by the girls. Online payment is required at the time of order placement for all purchases, including girl-delivered candy/nut items.

## In Person

Girls make a sales pitch to a customer who then makes their selections on the order card.

Girls collect payment when they make the delivery. All money due must be turned in to the troop by **November 15**. Ask your troop volunteer about the check acceptance policy.

**Spread the Word!** Each Girl Scout can print out business cards and door hangers from the M2 site with her personal store code to distribute to potential customers. Each girl's special code grants customers access to her account to order their favorite snacks and magazines so both she and her troop receive credit for the sale.

## Safety Guidelines

Safety is the top priority, please review the following safety guidelines with your Girl Scout.

- Sell only to family, neighbors, and friends. Never enter a stranger's house.
- Girls must always be accompanied by an adult.
- Wear her Girl Scout uniform or pin to identify herself as a Girl Scout.
- Never carry a lot of money.
- Follow age-appropriate online marketing safety rules.
