

Make a difference today!

This year marks 108 years of Girl Scouts blazing the trail of girl leadership in the outdoors, providing countless opportunities to explore, learn about our planet, and access resources to learn how to protect it. From learning to care for our planet to minimizing our ecological impact outdoors to advocating for nature, Girl Scouts of all ages become stewards of our precious environment. For more fun activities, visit: gseok.org/AtHome

Did you know that plastic straws are one of the top ten most common items of trash found in the ocean? Save money and the environment by switching from disposable to reusable straws! **Visit the Girl Scout Store to purchase your own reusable, BPA Free GSEOK Engraved Stainless Steel Straw set!**

Environmental Stewardship Tips:

- 1. Get outside.** Being outside can help the earth and you feel better! Go on a bike ride, plan a picnic or play a game in the yard, and remember why it's important to take care of the earth.
- 2. Use less water.** Turn off the faucet when brushing your teeth, collect rainwater to water the yard or come up with a water-saving method to clean clothes.
- 3. Create your own up-cycled treasure.** Be clever with how you may use your trash to create fun art and memories! With craft supplies, turn it into something you'll love for years to come.
- 4. Unplug.** Take time to unplug for an hour or more. Make a point to turn off lights when they are not in use.
- 5. Recycle.** Learn what items you can recycle. So don't trash it, recycle it! You'll help conserve resources, prevent pollution, reduce greenhouse gases, and make the environment healthy for future generations.
- 6. Shop reusable GSEOK merch!** Visit gseok.org/store email store@gseok.org, or call 918-745-5252 or to order!
