COOKIE PROGRAM CREDIT

Cookie Program Credit works similar to your typical gift card. It is an individual reward acknowledging a girl’s hard work and entrepreneurial success. Girls can use their Cookie Program Credit for Girl Scout programs and merchandise!

Check Cookie Program Credit balance at any time by visiting: <https://mps.bz/> and entering card number, BID number, and CVV code from your email.

For FAQs on Cookie Program Credit, visit gseok.org/cookiecredit

USING YOUR COOKIE PROGRAM CREDIT TO PAY ACTIVITY FEES IS EASY! HERE'S HOW:

Select the **Cookie Program Credit icon** to use the girl’s Cookie Program Credit during the payment portion of registering for an activity. Once selected, a box will pop up to enter the 19-digit number.

Should the payment required exceed the amount of Cookie Program Credit, the available amount will be applied, and then you will be prompted for another form of payment. You will see on the right-hand side the Cookie Program Credit applied to the balance. Once the other form of payment has been selected and information entered, select “Make Payment”; after the payment is processed you will receive a confirmation email/receipt of payment.

Giving and receiving recognition is a critical part of the Girl Scout program. Get with your team and review the 2020 Adult Recognitions Guide.

Submit recommendations/nominations to the council by the **February 15 deadline!**

HIGHEST AWARDS

Every Girl Scout goes above and beyond to make a difference in her community and the greater world. The skills and experiences she gains along the way set her up for special recognition through the Gold, Silver, and Bronze Awards.

GOLD AWARD

Seniors and Ambassadors don't just change the world for the better, they change it for good by tackling issues dear to their hearts while driving lasting change in their communities and beyond.

SILVER AWARD

Cadettes flex their leadership muscles by doing research and taking action on issues of their choice. Through their commitment to their communities, girls gain confidence and skills that will catapult them to Gold Award success.

BRONZE AWARD

By taking action with others to improve their communities, Juniors gain important leadership skills and learn that even seemingly small actions can make a big impact.

The council should be notified of girls working on Bronze and Silver Awards. Visit gseok.org/bronze or gseok.org/silver, complete the form online, and submit your Intent to Earn and then your Final Report.

The Girl Scout Gold Award **requires** council approval before beginning work on the project. Use GoGold Online to apply for your Gold Award (gogold.girlscouts.org).
