Girl Scouts Beyond Bars

Do you know a girl whose mother is incarcerated? Girl Scouts of Eastern Oklahoma has a Girl Scouts Beyond Bars (GSBB) program that can assist in reconnecting the girl and her siblings to their mother. By connecting the children with their mother while she is incarcerated, the children can begin working on those anxieties and disruptive behaviors that are caused by this trauma. The girls will be connected with a Girl Scout troop close to home and visit her mother with the GSBB program. Visitation at the correction centers is currently on hold; however, it takes time to make the connection and get approval for children to visit their mother so it can be advantageous to join GSBB now. For more information, or to recommend a girl you know, please contact us at customer-care@gseok.org

Highest Awards

girls like me
can be good at
many different
things

Every Girl Scout goes above and beyond to make a difference in her community and the greater world. The skills and experiences she gains along the way set her up for special recognition through the Gold, Silver, and Bronze Awards.

Gold Award Girl Scouts are the dreamers and the doers who take “make the world a better place” to the next level. The Girl Scout Gold Award is the mark of the truly remarkable—proof that not only can she make a difference, but that she already has. Seniors and Ambassadors who earn the Gold Award tackle issues that are dear to them and drive lasting change in their communities and beyond. Think of the Gold Award as a key that can open doors to scholarships, preferred admission tracks for college, and amazing career opportunities. Download the [Gold Award guidelines](#) to find out how.

When Girl Scout Cadettes focus on an issue they care about, learn the facts, and take action to make a difference, they gain the confidence and skills that will catapult them to lifelong success. It all adds up to the Girl Scout Silver Award—the highest honor a Cadette can achieve. Download the [Silver Award guidelines](#) to find out how.

When Girl Scout Juniors team up to make a difference in their community, they learn important leadership skills, discover new passions, and watch how seemingly small actions make a big difference. It all adds up to the Girl Scout Bronze Award—the highest honor a Junior can achieve. Download the [Bronze Award guidelines](#) to find out how.

High School aged girls can virtually learn about the highest award a Girl Scout can earn at a Go Gold Workshop offered in January, February, March and April.

Covid - 19 Camp Tallchief

The health of Camp Tallchief's campers, families, and staff are of the utmost importance. We are optimistic that by summer, conditions will allow us to offer in-person Resident Camp. In response to local, state, and national recommendations we will be implementing several strategies to limit the spread of COVID-19. With the developing situation these procedures may adapt to align with new guidance from the CDC and ACA but currently include:

- Reducing camper and staff capacity
- Prescreening protocols
- Daily symptom screening
- Mask wearing (exceptions for eating, sleeping, aquatic activities, and strenuous outdoor exercise)
- Staggering meals times
- Maintaining cohort groups
- Limiting offsite trips
- Reducing visitor interactions
- Increasing focus on cleaning and sanitation

Counselor-in-Training (C.I.T.) Program

You want to be a camp counselor? Find out what counselor life is really like! The C.I.T. Program enables girls to better understand the Girl Scout practices and principles related to camping and outdoor education. The C.I.T. Leadership Project was developed to afford Girl Scout Seniors and Ambassadors the opportunity to experience the challenges and rewards of working with younger girls in an outdoor setting. Becoming a C.I.T. enables girls to gain insights into the responsibilities of program delivery and camp operations, offering experience in staff responsibilities, program goals, leadership styles, child development, group dynamics, outdoor skills, and conflict resolution. Girls will build a resource notebook with games, songs, and recipes to aide in their training.

The C.I.T. program is designed to take place over the course of two summers. C.I.T. 1 & 2 are each three-week programs designed to give Girl Scout Seniors and Ambassadors a chance to hone their leadership skills. The experience gained in C.I.T. 1 is expanded upon during the second summer through skill specialization, safety practices, and leading activities. Along the way there will be lots of camp memories, laughs, beautiful campfires, and building of life-long friendships.

An application for CIT 1 is required. The program is a total of six weeks of training (3 weeks per summer) with the intent of working at least one full summer at camp after completion, if eligible.

2021 Cancellations Due to COVID-19 Family Circumstances

While we are unable to provide a no-risk cancellation refund policy, we assure you that if your daughter is ill or is in contact with someone who is ill causing her to be ineligible to attend resident and/or day camp that we will first try to reschedule. If that is not possible, you have the following choices:

- Donate all or a portion of payments to camp.
- As a nonprofit that relies on income from program payments, it is important to understand that the financial implications of cancelling from a camp session are serious. Prior to camp, many preparations are made that incur expenses for the council. Your donation will mean a great deal towards helping us recoup some of those costs and your donation is tax-deductible.
- We know that each of us has been impacted in a variety of ways by this crisis. At your request, we will cancel the registration and refund all payments except for the deposit.

On occasion, a third-party event will not allow refunds at any time after a registration has been made, this will be noted in the event description.

In the event that GSEOK has to cancel a program, a full refund including the deposit will be provided. This policy includes all methods of payment including those made with Cookie Program Credit.
