### 2022 Cancellations Due to COVID-19 Family Circumstances

**While we are unable to provide a no-risk cancellation refund policy, we assure you that if your daughter is ill or is in contact with someone who is ill causing her to be ineligible to attend resident and/or day camp that we will first try to reschedule. If that is not possible, you have the following choices:**

- Donate all or a portion of payments to camp.
- As a nonprofit that relies on income from program payments, it is important to understand that the financial implications of cancelling from a camp session are serious. Prior to camp, many preparations are made that incur expenses for the council. Your donation will mean a great deal towards helping us recoup some of those costs and your donation is tax-deductible.
- We know that each of us has been impacted in a variety of ways by this crisis. At your request, we will cancel the registration and refund all payments except for the deposit.

On occasion, a third-party event will not allow refunds at any time after a registration has been made, this will be noted in the event description.

In the event that GSEOK has to cancel a program, a full refund including the deposit will be provided. This policy includes all methods of payment including those made with Cookie Program Credit.

# GIRL SCOUTS BEYOND BARS

Do you know a girl whose mother is incarcerated? Girl Scouts of Eastern Oklahoma has a Girl Scouts Beyond Bars (GSBB) program that can assist in reconnecting the girl and her siblings to their mother. By connecting the children with their mother while she is incarcerated, the children can begin working on those anxieties and disruptive behaviors that are caused by this trauma. The girls will be connected with a Girl Scout troop close to home and visit her mother with the GSBB program. Visitation at the correction centers is currently on hold; however, it takes time to make the connection and get approval for children to visit their mother so it can be advantageous to join GSBB now. For more information, or to recommend a girl you know, please contact us at [customercare@gseok.org](mailto:customercare@gseok.org)

## GO GOLD

The Girl Scout Gold Award requires council approval before beginning work on the project. Use Go Gold Online to apply for the [Gold Award](#). Girls who complete their project and submit their final report by February 28 may be eligible to receive their award at a celebration in late April of the same year.

Gold Award Girl Scouts are the dreamers and the doers who take “make the world a better place” to the next level. The Girl Scout Gold Award is the mark of the truly remarkable—proof that not only can she make a difference, but that she already has. Seniors and Ambassadors who earn the Gold Award tackle issues that are dear to them and drive lasting change in their communities and beyond. Think of the Gold Award as a key that can open doors to scholarships, preferred admission tracks for college, and amazing career opportunities. Download the [Gold Award guidelines](#) to find out how.

When Girl Scout Cadettes focus on an issue they care about, learn the facts, and take action to make a difference, they gain the confidence and skills that will catapult them to lifelong success. It all adds up to the Girl Scout Silver Award—the highest honor a Cadette can achieve. Download the [Silver Award guidelines](#) to find out how.

When Girl Scout Juniors team up to make a difference in their community, they learn important leadership skills, discover new passions, and watch how seemingly small actions make a big difference. It all adds up to the Girl Scout Bronze Award—the highest honor a Junior can achieve. Download the [Bronze Award guidelines](#) to find out how.

# GIRL SCOUTS OF EASTERN OKLAHOMA

Every girl deserves a chance to see the world – whether that means on the other side of town or the other side of the world. Many troops provide opportunities for their members to travel outside of our council area.

Troop trips are a great way for girls to learn about planning, budgeting, being flexible, working together as a team, being respectful of each other, and so many other life skills. In addition to their troop travel, Girl Scouts of Eastern Oklahoma offers girls other opportunities to see new places, meet new people, and learn about different ideas and cultures. These council-sponsored trips are for girls from all over our 30 counties.

Council-sponsored travel is Girl-Led and Girl Focused! That means Girls get to be at the forefront for their trip. Girl Scout Travel is not a vacation but a project in which girls participate: researching, planning, money-earning, teaching and working together to create an adventure of their own.

# GSEOK VOLUNTEER LED *day camps!*

DAY CAMP  
REGISTRATION OPENS

January  
18

Operated by Girl Scout adult volunteers, day camps are five-day sessions in the great outdoors in communities throughout eastern Oklahoma. Girl Scouts experience the adventure of camp during the day, while returning to the comforts of home at night. Days of sun, fun, and friends make the summer that much more special!

A typical day will include opportunities to explore nature, learn songs, play games, get creative with projects, and gain outdoor skills while enjoying a fun themed week. In our girl-led, girl-only environment she'll feel comfortable trying new things and empowered to take the lead. Girls can attend by themselves, with a friend or two, or with their troop.

GSEOK's Day Camps are designed and facilitated by volunteers in your local community.

# LEADERSHIP PROGRAM (3 WEEKS WITH WEEKENDS AT HOME)

## COUNSELOR-IN-TRAINING (C.I.T.) PROGRAM

So, you want to be a camp counselor? Find out what counselor life is really like! The C.I.T. Program enables girls to better understand the Girl Scout practices and principles related to camping and outdoor education. The C.I.T. Leadership Project was developed to afford Girl Scout Seniors and Ambassadors the opportunity to experience the challenges and rewards of working with younger girls in an outdoor setting. Becoming a C.I.T. enables girls to gain insights into the responsibilities of program delivery and camp operations, offering experience in staff responsibilities, program goals, leadership styles, child development, group dynamics, outdoor skills, and conflict resolution. Girls will build a resource notebook with games, songs, and recipes to aide in their training.

The C.I.T. program is designed to take place over the course of two summers. C.I.T. 1 & 2 are each three-week programs designed to give Girl Scout Seniors and Ambassadors a chance to hone their leadership skills. The experience gained in C.I.T. 1 is expanded upon during the second summer through skill specialization, safety practices, and leading activities. Along the way there will be lots of camp memories, laughs, beautiful campfires, and building of life-long friendships.

An application for CIT 1 is required. The program is a total of six weeks of training (3 weeks per summer) with the intent of working at least one full summer at camp after completion, if eligible.

### C.I.T. 2

# STEM PROGRAM KITS

Planning fun and interesting activities for Girl Scout troop meetings, service unit events, or even while camping takes time. Fortunately, our program kits make Girl Scouting easier for new leaders and those who have been in Girl Scouting for many years. The kits are designed to enhance the Girl Scout Leadership Experience by providing hands-on activities that help girls earn badges, Journey awards, and patches. Each kit contains an easy-to-follow, step-by-step guide to help you facilitate the badge requirements and allows the girls an opportunity to work through the requirements with fun and engaging materials. Program Kits can be specific to a Girl Scout program level or can be multilevel. Each Program Kit is different. Refer to the Program Kit you are interested in for details.

**GSEOK's STEM kits** are available to borrow at no cost to leaders and can be delivered to any council office for pickup.

*Good vibes only*

Our program volunteers are a dynamic and diverse group, and there's no one "type" of volunteer—whether you're a recent college grad, a parent, a retiree, or a Girl Scout alum, we encourage you to get involved! Anyone with a sense of curiosity and adventure can help make Girl Scouting a powerful leadership experience for girls.

## COUNCIL VOLUNTEERS
