PEOPLE DO

Welcome Back to a New Year of Girl Scouts!

Our current year ends on September 30 and the 2022 membership year begins on October 1. If you haven't registered for the 2022 year yet, consider doing so soon by going to [**gseok.org/join**](https://gseok.org/join) and take part in the activities promoted in this program guide!

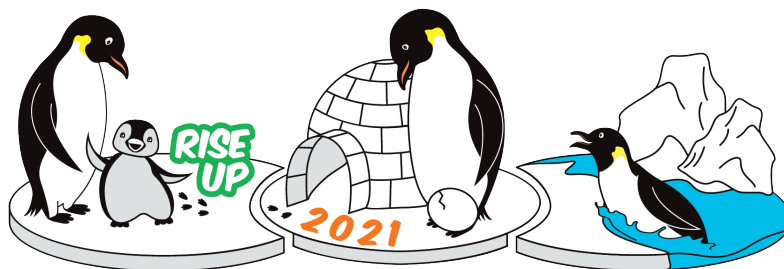

Girl Scouts Beyond Bars

Do you know a girl whose mother is incarcerated? Girl Scouts of Eastern Oklahoma has a Girl Scouts Beyond Bars (GSBB) program that can assist in reconnecting the girl and her siblings to their mother. By connecting the children with their mother while she is incarcerated, the children can begin working on those anxieties and disruptive behaviors that are caused by this trauma. The girls will be connected with a Girl Scout troop close to home and visit their mother with the GSBB program. Visitation at the correction centers is currently being organized; however, it takes time to make the connection and get approval for children to visit their mother so it can be advantageous to join GSBB as soon as possible.

For more information, or to recommend a girl you know, please contact us at customercare@gseok.org

Ready to Launch

Girl Scouts of Eastern Oklahoma Travel!

Every girl deserves a chance to see the world – whether that means on the other side of town or the other side of the world. Many troops provide opportunities for their members to travel outside of our council area. Troop trips are a great way for girls to learn about planning, budgeting, being flexible, working together as a team, being respectful of each other, and so many other life skills.

In addition to their troop travel, Girl Scouts of Eastern Oklahoma offers girls other opportunities to see new places, meet new people, and learn about different ideas and cultures. These council-sponsored trips are for girls from all over our 30 counties.

Council-sponsored travel is Girl-Led and Girl Focused! That means Girls get to be at the forefront of their trip. During Girl-only meetings they research places to stay, things to see, transportation options, and make sure the trip is staying on budget. We have fun fancy nights out where we practice our manners and etiquette. We take time to learn about the countries or state(s) we are visiting including cultural norms, cultural appropriateness, common phrases, and basic language (if the main language spoken isn't English).

Upcoming Trips:

- **October 14-17, 2021: Cadette Break in Denver.** Spend your fall break with other Girl Scout Cadettes from across the council on an exciting trip to Denver, CO.
- **January 14-17, 2022: Junior Troop Trip to Kansas:** Grab your troop and join us for an adventure in Hutchinson, KS.
- **March 14-19, 2022:** Choose your own adventure during Spring Break (grades 7-12). Show up on day one of the trip and pick an envelope to see what direction we will head and where we will go. Girls will get to practice on-the-go travel planning as we choose our adventure as we travel!
- **Summer International Trip 2023:** Explore United Kingdom. Spend 12-16 days exploring all the unique sites in England, Wales, and Scotland. Application submission closes September 30. Girls must be 14 years old by June 1, 2023 to attend this trip.
- **Summer National Trip 2024:** Where will we go? Help us decide vote here and tell us where you want to travel! Girls must be 13 years old by June 1, 2024 to attend this trip.

Interested in Being a Trip Advisor?

Girl Scouts of Eastern Oklahoma is on the lookout for more Trip Advisors to join our committee. Trip Advisors are volunteers who provide supervision and guidance for council-sponsored trips, while encouraging girls to gain confidence and develop leadership skills. Trips advisors must:

- Be at least 25 years old
- Be unrelated to any of the girl participants or other advisors
- Be a current Girl Scout member
- Meet volunteer training requirements
- Successfully complete a background screening
- Able to pay for a portion of the trip fee (may vary by trip but usually 1/3 of the girl cost)

If you are interested in being a Trip Advisor for an upcoming trip, you can apply to join the Trip Advisor Committee. The trip advisor application is available [here](#).

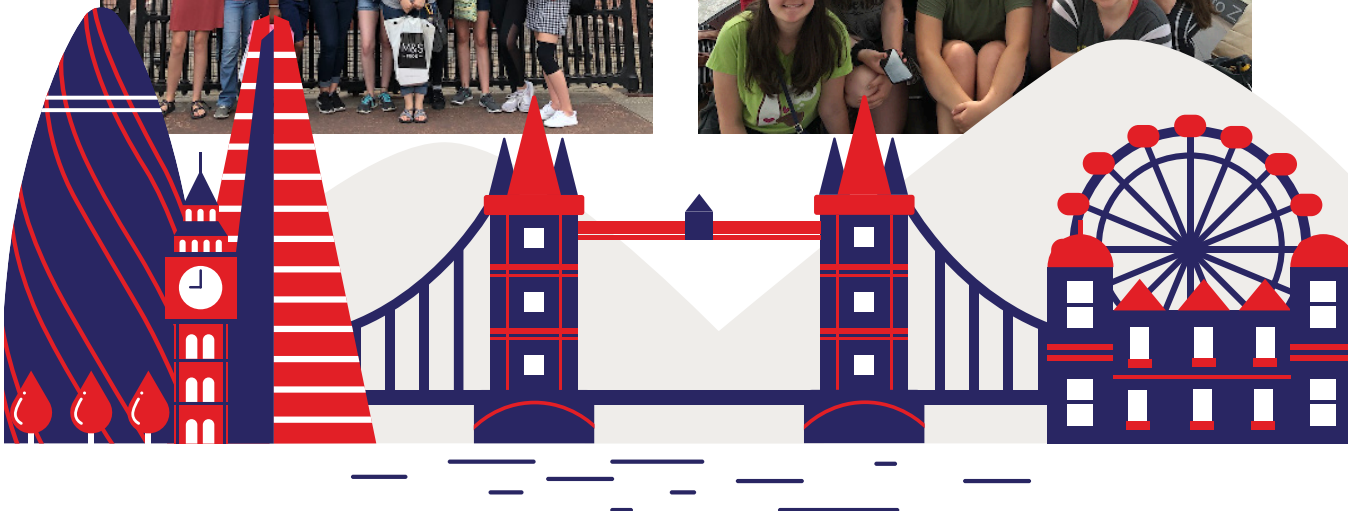

Explore United Kingdom

Girl Scouts of Eastern Oklahoma is going to the United Kingdom in 2023. Spend 12-16 days exploring all the unique sites in England, Wales, and Scotland. What cities will we visit and what will we see? The fun-part is Girls get to decide.

During Girl-only meetings you get to research places to stay, things to see, transportation options, and make sure the trip is staying on budget. Meeting dates are given well in advance once trip selections are made and we ask that girls attend 80% of all meetings. We will have specific required meetings that you must attend.

Cookie Program Credit Usage

Cookie Program Credit works similar to your typical gift card. It is an individual reward acknowledging a girl's hard work and entrepreneurial success. Girls can use their Cookie Program Credit for Girl Scout programs and merchandise!

Check Cookie Program Credit balance at any time by visiting: <https://mps.bz/> and entering card number, BID number, and CVV code from your email.

For FAQs on Cookie Program Credit, visit gseok.org/cookiecredit

Using your Cookie Program Credit to pay activity fees is easy! Here's how:

Select the Cookie Program Credit icon (looks like a gift card) to use the girl's Cookie Program Credit during the payment portion of registering for an activity. Once selected, a box will pop up to enter the 19-digit number.

Should the payment required exceed the amount of Cookie Program Credit, the available amount will be applied, and then you will be prompted for another form of payment. You will see on the right-hand side the Cookie Program Credit applied to the balance. Once the other form of payment has been selected and information entered, select "Make Payment"; after the payment is processed you will receive a confirmation email/receipt of payment.
