

## How Girl Scouts give back to their schools:

There are many ways Girl Scouts choose to support their school! It's important to a Girl Scout that she's as involved in her school as she is in her local community. Here are some examples:

# Girls Get STEM

Unleash Your  
Inner Scientist

Grades K-6

**Girls Get STEM: Unleash Your Inner Scientist**  
teaches students how they can make the world a better  
place using STEM – starting in their very own communities.

## GirlsLeadSTEM.com

Girl Scouts of the USA has unleashed a partnership with Discovery Education that inspires the confidence and delivers the experiences students need to lead, succeed, and power the STEM industries of the future!

*Student  
Activities*

*Family  
Activities*

Educators and students gain access to powerful resources designed to help them explore the challenges of the STEM industry and discover and implement creative solutions.
