

Interested in doing STEM programs with your troop & want a chance to win Girl Scout Store gift cards?

Girl Scouts of Eastern Oklahoma is looking for troops at all Girl Scout levels to participate in research on troop-level engagement in STEM badges. We are seeking troops who are willing to engage their girls in GSUSA STEM Badges during this membership year.

What's involved?

- Throughout the FY22 membership year, October 2021-September 2022, troops will go about their regular troop-selected STEM badge.
- After the completion of the badge activities, troop leaders will administer a girl post-survey to all girls in their troop. All surveys will be available online through September 30. Paper surveys available upon request.

Who Can Participate?

- Any GSEOK troop interested in earning STEM badges during this membership year. We are looking for troops at all Girl Scout levels (multilevel welcome) and from across all regions of our council.
- Troops with any level of STEM experience is welcome. No STEM experience is required.
- For every STEM badge earned by a girl, she is eligible to submit feedback. This includes badge series (Digital Leadership 1-3, etc.) and/or journeys.

Benefit to Troops

Participating troops will have the opportunity to help Girl Scouts of Eastern Oklahoma understand how girls are experiencing and benefitting from Girl Scout STEM programs.

- For every survey submitted by a girl, your troop will be entered into a drawing for a \$100 Girl Scout store gift card.
- Drawings for prizes will take place quarterly: March 31, June 30, September 30.
- Entries will cumulate through the end of the year.

How to Participate

Interested troops can administer the following surveys based on program level at the conclusion of the badge program:

Scan with your phone's camera!

For **Daisy & Brownie** Survey!
