A MESSAGE FROM THE CHAIR OF THE BOARD

I want to take this opportunity to thank everyone for their support and flexibility during this past year. The council met the pandemic crisis in new and innovative ways by staying connected. The creation of the Girl Scouts at Home was one such example of the continued opportunities offered to encourage girls to participate in virtual programming while building and utilizing their leadership skills. I am very proud of the council’s ability to work together in our mission to build girls of courage, confidence, and character, who make the world a better place.

Therefore, it is my privilege to send you this official Call to the Annual Meeting of Girl Scouts of Eastern Oklahoma to be held virtually via Zoom beginning at 10:00 a.m. on Saturday, April 24, 2021. Zoom joining codes will be provided on the council website at www.gseok.org by April 21. The Adult Recognition program will follow the Annual Meeting and the program is expected to end at noon.

The Annual Corporate Meeting is prescribed by state law and council Bylaws. It is an opportunity to receive the Stewardship Reports, the council’s Financial Reports, and council news. Due to the continued guidelines on limiting large group gathering, voting by the council members will be held virtually utilizing the same online poll link process as last year.

VOTING ELIGIBILITY: Council Bylaws state that to be eligible to vote you must be a currently registered member of the Girl Scout Movement and fourteen (14) years of age or over. Each member of the council meeting these requirements shall be entitled to one (1) vote. The slate will include members for the board development committee and for the board of directors.

All eligible members will be sent an individual link via email to cast their votes beginning Wednesday, April 21, 2021. Polls are scheduled to close at midnight on Sunday, April 25. Confirmed election results will be posted on the council’s website.

Please ensure your Girl Scout membership is current through September 30, 2021, and confirm your email address is correct in My GS to be included in the notifications. The Gold Award Ceremony will be in person, by invitation only this year to allow girls and their family units to celebrate in a safe environment.

Any additional questions, please check the website at www.gseok.org or contact Customer Care (customercare@gseok.org). We will be ordering a limited supply of the Annual Meeting commemorative patch for attendees. Once the patches arrive, they may be picked up at the Girl Scout store, while supplies last.

I look forward to seeing you virtually on April 24, 2021 for our Annual Meeting and Adult Recognition programs.

Yours in Girl Scouting,
