

5 for Five

When customers purchase five packages of cookies, they can enter into an online drawing to win five cases (60 packages)! GSEOK will provide the cookies to the winners at no cost to troops participating. The 5 for Five Promotion is designed to give customers a fun chance to win more cookies, and help girls and troops increase their cookie sales.

How it Works

- Troops and girls can print the tools from our website to promote the contest at cookie booths (or anytime they are selling cookies).
- Troops and girls add their troop number to the tools.
- When a customer purchases five or more boxes they are provided the QR code link to enter the contest. A customer can enter the contest for every multiple of five boxes purchased.
- Five winners will be contacted by GSEOK after March 31.
- GSEOK will provide cookies and facilitate pickup with the winners at a council office.

For Customers

- When customers buy five packages of cookies, they can enter into an online drawing to win five cases!

For the Troop

- If the winning customer has entered a troop number, that troop will receive a \$50 GSEOK Shop Credit.
