When and where do orders from Digital Cookie show up in eBudde?

This depends upon the type of order.

Girl Delivered Order – There will be records under the Girl Orders Tab, the Payments Tab and the Sales Report Tab.

Appears in eBudde after the caregiver approves the order for delivery. Adds the payment to eBudde. Does not affect/record and inventory so now packages recorded. Girl uses cookies that have been checked out to her from the troop.

Reports

There are reports that you can see both in Digital Cookie and in eBudde to track sales. These tools can help you determine how many cookies each girl needs to fill her orders.

The <u>Troop Dashboard</u> video will show you the reports available in Digital Cookie.

In eBudde, under the Reports Tab, you will see all these options to help you find the report that you need.
