Cookie Booth Sales

Booth sales are a great way to increase your troop's success by setting up a troop sale in a public place! Booth sales are any sale in front of a business or community location when girls set up a table to reach customers. (A cookie stand in front of her home is not considered a booth sale.)

Basics

- Everyone must honor the start date for booth sales.
- Booth sales are troop events intended for two to four girls, no fewer than one, and a minimum of two adults.
- All girls in a troop must have equal opportunities to participate in booth sales.
- Leaders of troops planning a booth sale need to complete the Beyond the Meeting training on gsLearn.
- Girl Scouts can earn rewards by participating in troop booth sales.

Etiquette & Behavior

- Be polite and thank all customers
- Avoid eating, texting or phone calls during booth hours.
- No smoking/vaping near booths.
- Clean up thoroughly—leave the space better than you found it.
- Respect other soliciting organizations by sharing space or using opposite entrances.

Safety

- Adult supervision for the girls.
 - You must have two registered, background checked adults.
 - If each girl is accompanied by her own caregiver, the adults don't have to be registered Girl Scouts.
- Keep cash/cookies secure.
- Girls never share personal information including last name and phone number.
 - Share the Troop Digital Cookie QR code for future sales.

Planning Your Booth Sale

- Role-play customer interactions (like pricing, favorite cookie, troop goals).
- Decide how to divide credit for sales.
- Train girls on greetings, sales pitch, and expected behavior.
- Schedule shifts: 1–2 hours per girl, max 4 girls per booth.
- Adults do not sell cookies; they supervise. Only Girl Scouts sell cookies.
- Dress appropriately: Girl Scout uniform/pin, weather-appropriate clothing.
- Plan for no bathroom access.
- Gather/prepare the supplies you will need.
