[TULSA, OK] — Today, GSEOK kicks off the 2026 [Girl Scout Cookie™ season](#) as Girl Scouts explore more possibilities through the largest girl-led entrepreneurial program in the world.

“As we kick off this year’s Girl Scout Cookie season, we’re thrilled to invite our community to support the incredible girls behind every box,” said Melissa Bogle, CEO of Girl Scouts of Eastern Oklahoma. “With every box of Girl Scout cookies you buy, you’re helping girls build confidence, learn real-world skills, and providing them with funds to support their adventures, whether it be a troop outing, attending camp, or building a robot.”

Exploremores™, a rocky road ice cream–inspired sandwich cookie, will join the legendary lineup for the 2026 Girl Scout Cookie season. Filled with delicious flavors of chocolate, marshmallow and toasted almond–flavored crème, Exploremores reflect the spirit of exploration at the heart of every Girl Scout. In addition to the exciting new cookie, the 2026 cookie lineup will include fan favorites such as Thin Mints®, Samoas®, Tagalongs®, and more.

The Girl Scout Cookie Program® provides invaluable entrepreneurial skills for Girl Scouts across the country and funds experiences such as service projects, troop travel, and summer camp. From a curious kindergartener, amazed by jellyfish at the local aquarium, to a middle schooler finding the courage to go on her first overnight trip with her troop, Girl Scouts know the road to discovery starts with exploration. Each cookie season, Girl Scouts develop important life skills like goal setting, decision making, money management, people skills and business ethics through the Girl Scout Cookie Program. All proceeds from cookie sales stay with local councils and troops to power Girl Scouts' amazing experiences year-round.

Right now, Girl Scouts all over the world are exploring who they are, what they can do and all they can become. Your purchase helps them make the world a better place — one box of cookies at a time
