- Prepare your vehicle(s) to be sure they are clean and have room for the cookies.
 - If using a truck or trailer that is open, be sure to have tarps, etc. to keep the cookies dry in inclement weather.
 - Check the air pressure for all trailer tires before picking up cookies.

Day of Pickup

- Count and verify that you have the correct quantity of cookies in each variety.
- Be sure all your cookies and only the cookies for your troop get loaded into your troop vehicles.
- When you are sure it is correct, sign for your order and get a copy of your receipt.
