

# Guidelines for Booth Sales at Walmart & Sam's

Please remember that we are guests at each store. It is very important that we honor and respect the rules that they have given to us for booth sales.

- Booth set up at least 15 feet from the entrance/exit. The store manager may designate a specific area and the troop must follow their instructions.
- Troop should use only 1 table per door.
- Girls must be supervised by an adult at all times.
- There may only be a maximum of six people total at any door during a booth sale. This includes both girls and adults.
- Troops must remove all empty boxes, trash, etc at the end of their shift. You may NOT put empty cases in the trash cans at Walmart.
- Follow any instructions provided by the store manager.
- All cookie sales and any promotion of the cookie sales must occur outside the store.
- Troops may only have a booth sale during the preapproved times that are available in eBudde.
- There should be nothing at the booth, said by, or worn by anyone working the booth that promotes or supports anything that depicts violence, obscenities, gross or gruesome scenes, racial or ethnic slurs, or inflammatory slogans that provoke a disturbance.
- There must be nothing at the booth sale that is connected to any political group, candidate, issue, etc.
- Live by the Girl Scout Promise and Law!
