

Fall Product Parent/Adult Permission and Responsibility Pledge

The Fall Product Program is friends and family driven and your Girl Scout will be able to create her own personalized site where her friends and family can purchase products online. Girl Scouts will also learn and practice the five business skills (goal setting, money management, people skills, decision making, and business ethics). Selling fall products is a wonderful service to the Council. Troops earn troop proceeds for activities and the Council receives funds to provide programs, training, financial aid, and camp maintenance. Girls who set a personal goal as well as a troop goal with other members of their troop prove to be the most successful.

My Girl Scout has my permission to participate in the Fall Product Program activities and I agree to the following terms:

- My girl is registered as a Girl Scout for the 2024-2025 Girl Scout Program year.
- I accept financial responsibility, including prompt payment, for all product and money she receives and will also see that she always has adult guidance.
- I understand that unsold product may NOT be returned.
- I understand that no product will be sold prior to the start date of the program.
- I accept responsibility for meeting all troop deadlines.
- If my Council is offering the ability to accept orders in person for girl delivery, I understand that I will be financially responsible for these products upon receipt of them from Council or another administrative level volunteer. I will also ensure that all orders are delivered promptly to customers and will be responsible for returning payment for these items to the troop.
- I understand that all proceeds are troop or Council funds and are NOT the property of my participating girl.
- I understand that my Girl Scout Council might have policies in place regarding accepting checks and I will review those specific policies which are outlined in more detail in my Council provided resources and information.

- Troops, girls or adults participating in the Fall Product Program may not have any outstanding debts with the Council.
- Participating girls may have the option to earn rewards. These earned items coincide with the level of products sold and are subject to substitution of equal value if the designated items become unavailable due to unforeseen circumstances beyond my Council’s control. If my Council offers an option for troops to opt out of rewards and receive additional proceeds, and your troop has chosen that option, girls will receive patches only but no additional items.

I will keep my Girl Scout safe during her participation in the online portion of the program:

- I will play an active part in managing my Girl Scout’s online activities while she is participating in the Fall Product Program and will be responsible for all content and information posted.
- I will make sure that my Girl Scout does not share any personal information about herself or about any other person, including in any videos or photos (e.g., her phone number, email, address, etc.), on her personalized site.
- I will make sure that my Girl Scout only shares the link to her personalized site with people we know.
- I will make sure that my Girl Scout only posts about her participation in the Fall Product Program on social media sites where her friends and family—and not the general public—can access her social media page. This means that I will make sure that my Girl Scout does not post about her participation in the program on websites such as eBay, Craigslist, or any other website where her posts can be viewed by the public.
- I will follow and ensure that my Girl Scout follows all safety guidelines related to Girl Scout product sales and deliveries during her participation in the Fall Product Program.
- I will ensure that my Girl Scout does not bully others online nor will I tolerate bullying during her participation in the Fall Product Program.
- I understand that my Girl Scout’s site may be temporarily or permanently disabled at the discretion of my Council for any reason including if there is a security-related issue or an issue relating to any of the content on her site.
- I will be guided by the Girl Scout Promise and Law in all actions related to the Fall Product Program.
