How to customize your Girl Scout experience

Girl Scout Fundamentals

Every girl's adventures in Girl Scouting are special. Some find the perfect fit in a troop. Others prefer to create a customized experience. That's the beauty of our Juliette initiative for individually registered girl members.

There's only one person as unique as you are. Join us and discover more about who you are, inside and out.

This guide is your starting place, but the world is yours to explore. Check out the options you can select to match your preferences and family schedule. Want to juggle piano lessons, soccer practice AND Girl Scouts? You can, as a Juliette.

As a fully registered member of Girl Scouts, you have every option available to you that a girl in a troop has. Meet new friends in every experience you try. Find girls with interests just like yours and sign up for the same programs. Earn badges, Girl Scouting's highest awards, including the prestigious Girl Scout Gold Award, and much, much more. We welcome you in whatever way you want to participate, because Girl Scouts is exactly what you want it to be, on your terms. You are in total control of your experience. Welcome! We cannot wait to get to know you.

There are two important guiding principles in Girl Scouts: the Promise and the Law.

Our Mission:

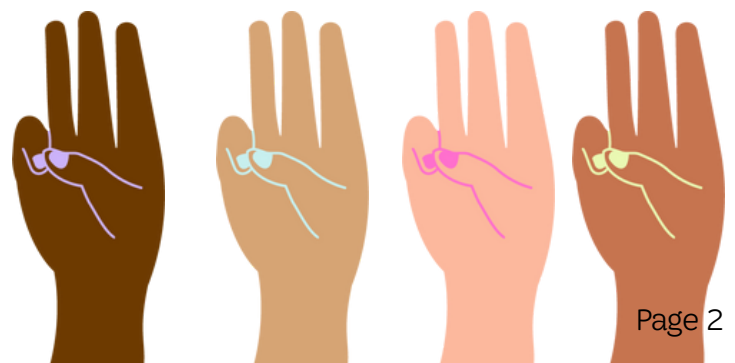

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Girl Scout Promise:

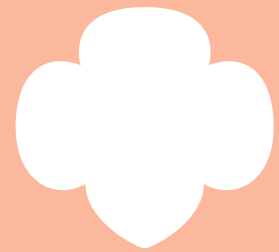

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live my the Girl Scout Law.

Girl Scout Law:

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong,
and responsible for what I say and do,
and to respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and be a sister to every Girl Scout

About Girl Scouts

At Girl Scouts, we believe in the power of every girl. Girl Scouts of the USA is the preeminent leadership development organization for girls. Girl Scouts is millions strong – made up of girls and adults who believe girls can change the world.

It began over a century ago with one woman, Juliette Gordon “Daisy” Low, who believed in the power of every girl. Today Girl Scouts continue her vision of building girls of courage, confidence and character who make the world a better place by helping them discover their inner strengths, passions, and talents important to them.

Girl Scouts bring their dreams to life and work together to build a better world. Through programs from coast to coast, Girl Scouts of all backgrounds and abilities can be unapologetically themselves as they discover their strengths and rise to meet new challenges – whether they want to climb to the top of a tree of the top of their class, lace up their boots for a hike or advocate for climate justice, or make their first best friends.

Backed by trusted adult volunteers, mentors and a powerful network of alums, Girl Scouts lead the way as they find their voices and make changes that affect the issues most.

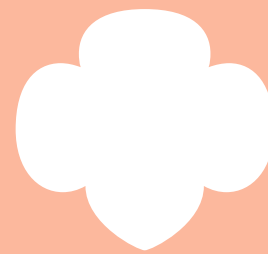

What is a Juliette?

Juliettes are independent Girl Scouts who aren’t part of a troop. They still get to earn badges, go on adventures, and explore – just on their own schedule. Any girl in grades K-12 can be a Juliette and enjoy the full Girl Scout Experience, her way.

Juliettes also have the flexibility to partner with friends, family, or mentors to complete activities and service projects. Parents and caregivers play a special role in supporting their Juliette’s journey, helping her set goals and celebrate achievements. No matter how she participates, every Juliette is a valued part of the Girl Scout sisterhood.

WELCOME!

As a **Juliette Mentor (caregiver)**, you are your Girl Scout's primary guide and support system. Instead of leading a troop, you'll help your Girl Scout explore independently, choosing her own badges, events, and activities that match her interests. Together, you'll create a one-of-a-kind journey that builds confidence, leadership skills, and unforgettable memories.

We're here to support you every step of the way. Let's get started, and remember – your Girl Scout adventure starts today, but the best is yet to come!

Your role as a Juliette Mentor

A Juliette Mentor is a parent, family member, caregiver or other trusted adult who guides a Juliette during her Girl Scout journey. Juliette mentors are not assigned by council, but chosen by the girl and her family. Juliettes are encouraged to choose a mentor soon after registering to plan and get started on their journey together.

- Register your Girl Scout Juliette and help her participate in Girl Scout activities
 - Go to www.gseok.org and click “MyGS” to register/renew membership and pay the annual membership dues (The GS Membership year is Oct 1 - Sept 40)

- Explore [Juliette Resources](#)
- Verify that your Juliette has completed badge requirements and purchase badges and awards from our Girl Scout Shop (*at the Hardesty Leadership Center*).
- Help your Juliette participate in Product Programs by submitting the required online forms, completing adult training, fulfilling program requirements, and following safety guidelines.
- Retain signed Girl Membership Information Sheet for your Juliette to participate in Product Programs, Camp, Council events and other activities.
- HAVE FUN!

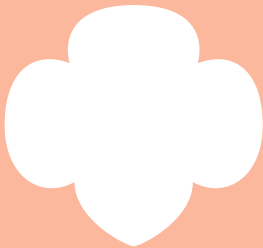

Connect with Girl Scouts

Just because a Juliette participates individually doesn't mean she can't take an active part in her local Service Unit. SU volunteers can keep families up to date on local events and activities.

Contact GSEOK for help in getting connected with the Girl Scouts in your area.
