

Leader's Quest: Brownie "Pumpkin Patch Panic Boss Battle"

Brownie Level: Friendship, Confidence & Celebration Adventure

Badge connections: Making Friends • Dancer • My Best Self

Mission Briefing – Welcome, Brownie Adventurer!

Oh no! The Pumpkin Patch Party is falling apart, and it's all thanks to the boss Count Crankyboots. He's spreading gloom and gigglesnatchers across the patch — no one's smiling, the games are a mess, and everyone forgot how to boogie. Can your team bring back the fun and save the silliest, spookiest night of the year?

Boss Profile:

Boss Name: Count Crankyboots

Weakness: Joy, friendship, and fearless dancing

Battlefield: Troop meeting, school gym, or outdoor party zone

Girl Role Choices (Pick Yours):

- **Boo Buddy:** You make sure everyone feels included and never left out.

- **Smiley Spirit:** You keep the mood fun and silly even when things go wrong.
