

Leader's Quest: Cadette “Mirror Maze Boss Battle”

Theme: Identity & Confidence

Cadette Badges Integrated:

- *Science of Style*
- *Public Speaker*
- *Finding Common Ground*

Boss Name: *Echoshade, the Doubtcaster*

A shimmering specter in the Mirror Maze who distorts truth and projects insecurity. She whispers things like “*You’re not good enough,*” and feeds off indecision and comparison.

Boss Weakness: Authenticity, bravery, and perspective-taking.

Strategy Options:

To defeat Echoshade, the Cadette must:

1. Design a Confidence Shield using their personal style (from *Science of Style*) that reflects their strengths—not what others expect.
2. Deliver a Brave Speech about something they believe in (*Public Speaker*)—even if it’s just to a mirror, a friend, or a video recording.
3. Host a Perspective Swap Challenge where they defend a viewpoint they disagree with (*Finding Common Ground*).

Choose Your Role:

- The Style Alchemist – Experiments with color, texture, and expression to build armor of confidence.
- The Wordsmith – Uses language and tone to shape realities and silence inner critics.
- The Diplomat – Translates misunderstandings into bridges, not barriers.

Quest Log: Task

Design a personal style collage or outfit that reflects your true self—not trends.

Practice and deliver a 2-minute talk on a topic that matters to you.

Roleplay a disagreement and find shared values with someone who thinks differently.

Encourage a friend by reflecting their strengths back to them.

Record one positive trait about yourself each day for a week.

Reflection:

- What makes me *me*, even when others don’t see it?
- When have I felt strong speaking up for myself or others?
- How can I help others feel seen and heard?

Victory Stamp:

Draw a mirror with light beams shooting out of it—or sketch Echoshade disappearing in a puff of glittery smoke.
