

## Leader's Quest: Cadette "Silent Summit Boss Battle"

### Mission Briefing:

Welcome, Cadette Adventurer! The Silent Summit is full of foggy feelings, misunderstood ideas, and quiet voices. Only the brave can journey through the shadows and help bring clarity by using communication, empathy, and leadership. Face each challenge with confidence to light the summit trail for others.

### Boss Profiles:

Silent Specter

Weakness: Expression

Battlefield: Group discussions

Victory Condition: Speak your truth and share your ideas.

Tunnel Vulture

Weakness: Compromise

Battlefield: Decision-making moments

Victory Condition: Find middle ground with your team.

Echo Echo

Weakness: Original Thought

Battlefield: Planning sessions

Victory Condition: Add your own ideas instead of repeating others.

### Battle Strategy (Pick 2):

Common Ground Circle: Lead a discussion about different viewpoints and what you all agree on.

Open Mic: Practice public speaking by giving a short talk to your troop or another group.

Emotion Art: Create artwork that expresses how group decisions made you feel.

Research Rescue: Learn about a social issue and share your findings with your troop.

### Team Roles (Pick Yours):

The Analyzer: Thinks critically and shares well-thought-out ideas.

The Voice: Brings energy and leads presentations or discussions.

The Listener: Makes sure everyone's ideas are heard and valued.

The Mediator: Helps the group stay balanced and resolve disagreements.

### Quest Log:

What challenges did we choose?

What was my role?

What helped us communicate better?

**Side Quest:**

At home, talk with a family member about a tough topic—something you care about. Practice using active listening and expressing your ideas clearly.

**Level-Up Reflection:**

When was it hard to speak up?

What did I do that helped others feel heard?

How can I use these skills in school or with friends?

**Victory Stamp:**

[Draw a badge or use a troop stamp here!]
