Daisy Level: Teamwork & Kindness Adventure

Petal connections: Friendly & Helpful • Respect Myself and Others • Honest & Fair

Mission Briefing – Welcome, Daisy Adventurer!

Oh no! The boss named Queen Bumble-BOO has cast a spell on the Honey Pot Harvest Party. The decorations are tangled, the games are upside-down, and no one's working together. She says teamwork is *too sticky*! Can your Daisy crew show her how kindness, sharing, and fun can save the day?

Boss Profile:

Boss Name: Queen Bumble-BOO

Weakness: Sharing, taking turns, and teamwork

Battlefield: Troop meeting, backyard patch, or pumpkin play zone

Victory Condition: Complete a fun Halloween-themed activity where girls help each other and make everyone feel included

 - Friendly Monster Craft: Girls create a friendly paper monster and name what makes it a good friend.
 - BOO-tiful Costume Compliments: Girls wear costumes or accessories and give each other kind words about their creativity.
-

Girl Role Choices (Pick Yours): *(Troop leaders can draw or print these like wearable badges!)*

- Helper Bat: You love lending a wing when someone needs help.
 - Giggle Ghost: You keep the fun going when things get tricky.
 - Pumpkin Pal: You make sure everyone is included and has a buddy.
 - Kindness Cat: You say nice things and help everyone feel special.
