

Leader's Quest: The Backpack of Infinite Pockets

Premise:

An enchanted backpack with endless pockets has gone haywire—swallowing up important Girl Scout gear (like flashlights, bandanas, and badges). The troop must dive into the infinite pockets, recover the lost items, and tame the backpack before it swallows the entire troop room!

Quest Steps:

1. **Pocket Plunge:** Leaders place random objects in bags or pillowcases. Girls reach in blindly to “rescue” one item at a time. Bonus points for dramatic screams when they pull out something silly like a sock or spoon.
2. **Lost Item Hunt:** Paper cutouts of Girl Scout gear are hidden around the room. Girls must find and collect them before the backpack “locks.”
3. **Pocket Shuffle Challenge:** Girls pass a beanbag (the “backpack pocket”) down a line behind their backs without dropping it.
4. **Zipper Maze:** Tape zigzag “zippers” on the floor. Girls hop along them like a maze to reach the “backpack’s core.”
5. **Closing the Backpack:** Girls work together to fold a giant blanket or tarp (the “zipper flap”) to seal the backpack shut.

Boss Battle:

The troop faces the Backpack Beast (leader wearing a backpack stuffed with silly props). To defeat it, they must chant: *“Pocket by pocket, we’ll never stop it. Girl Scouts keep the world in our pack!”* or something the girls create.

Victory Title:

They become the **Guardians of the Infinite Gear** 🏆❤️.
