

Leader's Quest: The Barkbox Bonanza

Premise:

In a magical woodland settlement, the BarkBox is the key to unleashing a luminous puppy parade—but it's been stolen by the mischievous Spectral Squirrel! Your troop must venture deep into Looping Leaf Forest, recover the BarkBox, and free the puppy spirits trapped inside.

Quest Steps:

1. **Squirrel Signal** – Girl Scouts decode a silly bark code: leaders bark random animal sounds, and girls must repeat in “dog barking” to reveal the phrase: *“Where the nuts and candy rest, the BarkBox hides.”*
2. **Candy Cone Trail** – Scatter (paper or actual) wrapped candies in a line. Girls follow the sweet trail blindfolded (guided by a buddy's voice).
3. **Tumbler Toss** – Set up Tervis tumblers (or cups). Girls toss beanbags aiming to “chime” them like magical bells. Each successful toss brings puppy glow closer!
4. **Stationery Scroll Puzzle** – Leaders hide scrambled stationery words (“paw,” “tail,” “pup”) around the room. Girls search and rearrange to spell a clue leading to the BarkBox hiding spot.
5. **The BarkBox Reveal** – The box is discovered (a decorated small box w/dog-themed stickers). Inside: a cute toy or BarkBox mockup that “unleashes” the puppy spirits (leaders make excited puppy noises and run around).

Boss Battle:

Face the Spectral Squirrel (leader wearing squirrel ears and tail covered in glittery “ghost fluff”). To win back the BarkBox, Girls must chant: *“We guard the goodies, bark and bound—scurry squirrel, return what's found!”* or have the girls create their own chant.

Victory Title:

They become the magical **Guardians of the Puppy Parade**.
