

Leader's Quest: The Roller Skate Rampage

Premise:

Runaway roller skates are zooming through town, crashing into lampposts and chasing pigeons. The troop must corral the wild skates and restore balance before Main Street becomes a roller derby disaster zone.

Quest Steps:

1. **Skate Shuffle:** Girl Scouts slide their feet across the floor like they're wearing roller skates. If the leader calls "SPIN!", they must twirl in place without falling over.
2. **Cone Course:** Set up cups or cones. Girls weave in and out while pretending to skate, arms out for balance.
3. **Derby Dodge:** Leaders roll balloons or balls across the floor as "rogue skates." Girls dodge without getting tagged.
4. **Team Tangle:** Girls pair up and tie one leg together (three-legged race style). They must skate-walk across the room as a duo.
5. **Parking the Skates:** Using a hula hoop or taped square, girls must herd balloons/balls into the "skate corral" before the time runs out.

Boss Battle:

The troop faces the Skate Kingpin (leader wearing roller skate drawings taped to their shoes). To win, girls chant in unison: *"Zoom or spin, we roll as one—together we stop what can't be undone!"* or something the girls create.

Victory Title:

They become the **Skate Stoppers of Main Street** 🏆.
