

Leader's Quest: Junior "Logic League Boss Battle"

Junior Level: Investigation & Team Strategy Adventure

Badge connections: Detective • Inside Government • Digital Leadership

Mission Briefing – Welcome, Junior Adventurer!

You've been recruited into the Logic League, an elite team of junior detectives and decision-makers. But there's a problem... the elusive boss known as Captain Chaos has hacked the troop plan and scrambled the clues, erased the rules, and thrown teamwork into total disarray. Can you lead your crew to crack the case and restore order?

Boss Profile:

Boss Name: Captain Chaos

Weakness: Evidence, logic, and clear communication

Battlefield: Troop room, scavenger hunt course, or mock investigation setup

Victory Condition: Complete a mystery mission using real clues, decision-making, and teamwork

Battle Strategy (Choose 2):

- Troop Case File: Girls solve a fictional troop mystery using clues planted around the room.
- Debate Duel: Split into teams and role-play two sides of a civic issue (like: Should we have longer recess?)
- Decode the Rules: Girls write a basic "digital code of conduct" for the troop — fun, fair, and smart.
- Detective Toolbox: Girls create a toolkit of observation, logic, and questioning skills through games or scenarios.

Girl Role Choices (Pick Yours):

- Fact Finder: You track down evidence and ask great questions.
- Decision Dynamo: You help the team weigh options and make smart choices.
- Peace Planner: You keep the team calm, respectful, and focused.
- Tech Tracker: You explore how we can solve problems using tech tools or online skills.

Quest Log

- | | |
|--|--|
| • What was the "case" we tried to solve? | • What role did I choose? |
| • What was a hard decision we had to make? | • How did I help bring order to the chaos? |

Side Quest (At Home):

Interview a family member about a decision they had to make (big or small).

Write or draw what helped them choose — was it facts, feelings, or something else?

Level-Up Reflection

- | | |
|---|--|
| • Why is it important for leaders to think before they act? | • What skills help when people disagree? |
| • How did you stay focused when things got tricky? | • Would you want to join the Logic League again? |
